

25X1

8 NOV 1970

MEMORANDUM FOR: Legislative Counsel  
THROUGH : Chief, Intelligence Institute  
FROM :   
Intelligence Institute/OTR  
SUBJECT : Congressional Staff Speaker for the  
Intelligence Process Course

25X1

1. The Intelligence Process Course gives relatively new professional intelligence officers a thorough and integrated view of intelligence collection, processing, and production. The Course has profited in the past year from presentations by W. Clark McFadden II of the Senate Armed Forces Committee, Charles Meissner of the Senate Foreign Relations Committee, and, most recently, Frank Slatinshek, Chief Counsel of the House Armed Services Committee. Each of these staff members used his experience to present his view of Congress as an intelligence consumer, precisely the area we wanted to be discussed. The students have found these appearances to be one of the highpoints of the course.

2. We are again seeking a speaker for the Intelligence Process Course. We have the period between 0900 and 1030 the morning of Wednesday, 15 December, open in our schedule. The briefing would take place in Room 912 of the Chamber of Commerce Building.
